*FEEDING BODY AND SOUL*

Dear Friends,

We are pleased to announce that our book shop has now re-opened to customers and we really look forward to seeing you. The repairs to the front have now been completed.

Following Government social distancing guidelines, we have implemented a policy of two people in each of the upper and lower sections of the book shop at any one time, and so we would ask that you be patient with one another. You can of course, continue to order your books, Bible notes, gifts etc. via telephone or email (details below) and they can then be collected or posted to you as you prefer. Please note we are unable to take in second-hand books at present as we do not have the storage space available.

We have also been able to open our upstairs seating area with one table for four people available downstairs to allow for customers with mobility issues to be able to join us. All indoor seating to preferably be booked in advance, to avoid disappointment. Currently all children's play areas are unavailable.

For those of you that are unable to visit but would like to support us as we continue to share the Good News in Newent, we have added a donate button to our website.

We have a number of plans for activities and events to be accessed via our website or on our Facebook page (details bottom right) so please keep in touch for the latest updates. We also have some books reviewed on the website – just go to 'Good Reads' under the Bookshop tab on the website.

Thank you for your Support and Prayers
