FEEDING BODY AND SOUL

Dear Friends,

Thank you to those of you that supported us on National Book Shop day. It's a wonderful gift to encourage reading, and with that in mind I would like to remind you all that we do participate in the National Book Tokens scheme. We have both regular and Christmas Book Tokens available for purchase. An ideal gift if you need to post it.

Advent will soon be upon us and we have a range of **Advent** books and Bible Studies. Also candles and calendars available. Don't forget your **Real Advent Calendar** – we only have a limited number still available.

As a part of our desire to serve the community, and in acknowledging all the difficulties surrounding Covid-19 and poverty, we will be offering a new scheme throughout November. If you wish to support a friend or anonymously treat someone to a hot drink then you can purchase a voucher at the coffee house till. You can then take this with you to give to whom you would like or, you can put it up on the board, near the till, and then a recipient can anonymously help themselves to the voucher as payment for their drink. I hope you will support us and the community with this.

There are many ways in which we can serve our community. If you feel that God is calling you to share your gifts and you wish to actively support us further, there are a number of voluntary opportunities available. Please contact Sara to discuss these opportunities.

For those of you that are unable to visit us but would like to support us as we continue to share the Good News in Newent, we have a donate button on our website.

Thank you for your support and prayers
The Staff and Trustees of the Good News Centre
